THE REAL HERO OF YOUR LIFE IS YOU

A positive mental attitude
says success is a journey,
not a destination.
Because of it, you know that
throughout each day you
will experience success.
It also lets you see that you
are the star
and the real hero of your
life.

It has been said that leaders are born everyday. Are you the type of leader or manager you would like to be?

If the answer to the above question is no and you would like to improve your leadership and manager skills?

Je'Mone Smith & Associates are known throughout the country for their ability to help organizations, businesses, groups and individuals alike, to reach their levels of success as managers and leaders.

What type of **legacy** would you like **to leave** and what type of **leader** are you?

This presentation is designed to explore the types of characteristics used by effective leaders throughout the world, past, present and future.

"If you want something you've never had before, then you must do something that you have never done before."

Myles Munroe defined leadership as the capacity to influence others through inspiration, motivated by a vision, generated by a passion, produced by a conviction and ignited by a purpose.

Let us examine some key elements of leadership which develops into success.

BELOW ARE SIX CHARACTERISTICS OF A SUCCESSFUL LEADER:

1. Vision

2. Leaders operate from the HEART

3. Development

4. Communication

5. Leveraging our difference

6. Embracing adversity

The Power of a Leader

True leaders, are not those who strive to be first, but those who are first to strive and who give their all for the success of the team. True leaders are first to see the need, envisioning the plan, and empower the team for action. By the strength of the leader's commitment, the power of the team is unleashed.
